## Heritage of Thakur Group

Thakur Group was founded in 1979. It started with construction of housing complex at Kandivali-East in early eighties. However, right from beginning, the Chairman of the Group Mr. V.K. Singh had the vision of developing a full fledged township with all facilities for the betterment of the citizens of Mumbai.

Today, the Thakur Group can rightfully claim the credit of developing an entire township, known as “THAKUR COMPLEX” and “THAKUR VILLAGE” at Kandivali East, on both side of Western Express Highway, then – a sleepy suburb and now a prominent suburb of Mumbai. This Township is fully developed with excellent urban facilities like commercial complexes, cinema houses, bus depot, post office, public parks, sports facilities, schools, colleges, hospitals, fire-brigade station, police station, banks.

Thakur Group can rightly take credit of introduction of Row-house concept in the city of Mumbai. Over a period of 25 years of its existence, Thakur Group has expanded its activities from real Estate development to Financing, Entertainment and Education.

Thakur Group also own number of properties that are leased to Banks, MNCs and reputed business houses.
